SOMD 2030 WORKFORCE DEVELOPMENT - SURVEY FOR STUDENTS

SoMD 2030 is a joint initiative of the Southern Maryland Navy Alliance (SMNA) and The Patuxent Partnership (TPP), with funding provided by Naval Air Warfare Center Aviation Division (NAWCAD). This collaborative effort will build up the STEM pipeline and increase career opportunities and partnerships with government, industry, and academia.

This initiative will connect talented college students with paid internships in southern MD. The 8-week summer college internship program (June 12 – Aug 4, 2023) will place students with local industry and government – leading to further education and career opportunities in St. Mary's County, MD.

The SoMD 2030 summer college internship program is seeking college students who are rising sophomores - seniors that are pursuing a Bachelor's degree in Computer Science, Engineering, Mathematics, Physics, Chemistry, Software Engineering, Finance, Accounting, Psychology or a related field at an accredited undergraduate institution. Please answer the survey below. **Application and resumes due: Friday, March 3, 2023.**
